STUART: concerned by the lack of a decent Website for the Club and is looking into completely replacing it with a more useful and accessible site and linking it to an App. This website and app can be used with ease by all club members for paying club fees, entry fees, etc. and will have links directing people to other events - approx. cost to the Club is \$1K per annum. Any ideas or thoughts on this would be greatly appreciated – contact Stuart.

HAY – HOW DO WE WIN IT !! We should be able to win the Show & Shine event easily, especially with Craig's newest Bini and Dave's "Buckle". We need to enter as many categories as possible to give ourselves a chance.

MERRI - SECRETARY: Correspondence in for Adrian (bank statements and Shannon's insurance renewal), Neil and the usual Mini Mag from Queensland.

TYANA:

- (1) Ski Weekend at the Shack is definitely 6th 7th and/or 8th March. This is the long weekend so come along whenever you feel inclined – as usual if you want to eat it, sleep it, drink it – bring it !
- (2) 21ST February MSCA Picnic at the Virgara Winery, 143 Heaslip Road, Angle Vale – all welcome

ADRIAN – TREASURER: The Club currently has \$20,639.03 in the bank with all the large bills having been paid. The question of improving the merchandise was raised at the Committee Meeting. The Committee is thinking that we would like to supply decent quality t-shirts, hoodies, etc that people would be happy to wear. Adrian will check what the current stocks of merchandise are and the cost of buying better quality garments.

NEIL TURNER: Has had correspondence from the Federation of Historic Motoring Clubs regarding the availability of Grants of up to \$500 to individuals who are members of an affiliated Federation Club complying with certain criteria. Details of the Grant and associated Guidelines are available on the Hot Bricks FB page.

BUY, SELL, SWAP: not raised at this meeting but if you need something for your vehicle, try ringing Neil Turner – he has his finger on the proverbial pulse or may know of someone else who has what you are looking for.

MEETING CLOSED AT 8.35PM
